

## Desarrollando una aplicación: Contacto

### Activity 1

Activity 1 is a form titled "Contacto" for creating a new contact. It features a blue header bar with the title. The form includes several input fields: "Nombre completo" (a single-line text field), "Fecha Nacimiento" (a date picker showing a calendar grid with the date 24 of September 2017 selected), "Teléfono" (a single-line text field), "Email" (a single-line text field), and "Descripción Contacto" (a multi-line text area). A blue button labeled "SIGUIENTE" is positioned at the bottom of the form.

### Activity 2

Activity 2 is a confirmation screen titled "Confirmar Datos". It displays the details of the contact being created: "Julio López", "Fecha Nacimiento: 7/0/1992", "Tel: 666667777", and "Email: julio@gmail.com". There is a text area for "Descripción" containing the text "Conoci a Julio en el café del centro.". A blue button labeled "EDITAR DATOS" is located at the bottom of the screen.
